# SECRETS OF THE

# THE TREE WHISPERER™ SAYS... TREE WHISPERER™

I heal trees...  
I inspire people...

*PhD. Plant Pathology, Purdue University.  
25+ Yrs as plant health business exec.*

*Also a certified organic landcare specialist,  
teacher, keynote speaker, consultant and rose  
grower. Developer of the Green Centrics™ Tree  
Healing System.*

☞ Makes "house calls" to heal stressed and  
declining trees.

☞ Inspires people to "come from the tree's  
point of view" in his classes.

*"For years, most trees have  
been telling me that they're  
weak. Healing trees from the  
inside-out happens because I  
come from the tree's point of  
view. Trees and plants are  
alive and valuable to us, our  
homes and our planet."*
